**Club History:**

**2000-01 Presidents Rob Healey and PP Bernie Cowley**

**RI Theme: Create Awareness – Take Action**

President Rob presented the Charter to the newly formed Mollymook Beach Combined Probus Club.

Unfortunately President Rob had to resign from our Club due to the change of his business activities.

Vice President Bernie took on the Club Presidency and it was business as usual.

Our fundraising activities included the Black & White Ball, the Jumping Castle, Calcutta, the weekly Raffle and the 44 Club.

We assisted with Meals on Wheels and at the Milton Show we manned the steak stall and bar.

The Life Education Unit was moved from school to school and we also maintained it.

Our Rotary Park needed some attention by repainting the BBQ area, fences and rotunda.

For the Olympic Torch Relay, a large number of Rotarians worked to improve the visual image of Ulladulla, by cleaning up along the Highway.

GYE Student Luke Spaete from the USA returned home. Kady Coleman from Nowra was selected to spend a year in Canada as our GYE Student. 5 students participated at the RYPEN Camp in Canberra.

The new Rotunda & BBQs were made available for installation at the opposite side of our existing Rotunda at the Rotary park.

Over 150 High School students participated in the reformed Driver Education Course. Six Students attended the Siemens Science Experience Seminar. We hosted Marewa Hughes from New Zealand and Amy Nicholas travelled with Marewa to New Zealand for 3 months to stay with her family.

Mr Bill McGinnes received the Community Service Award and Rob Healey the Appreciation Award.

The Paul Harris Fellow Award was presented to Sid Turnbull.

A roster was established where every member was rostered to clean the BBQs and tidy up around the Rotunda.

We welcomed the following new Rotarians: Max Atkins, Brian Wallace, Brett Thomson, Alan Wealleans and Bill Martin.

Unfortunately it was with sadness to report the passing of PP Jack Scharkie.
